Commissioner of Fisheries,
Washington, D. C.

Dear Sir:

Replying to your favor of the 16th, will say that the Excursion Inlet cash capital is \$300,000.00; the valuation of plant is \$260,000.00. The net tonnage of the steamers and launches used at Port Moller is sixty eight.

Pardon us for overlooking this information in the reports.

Yours very truly,

PACIFIC AMERICAN FISHERIES,
